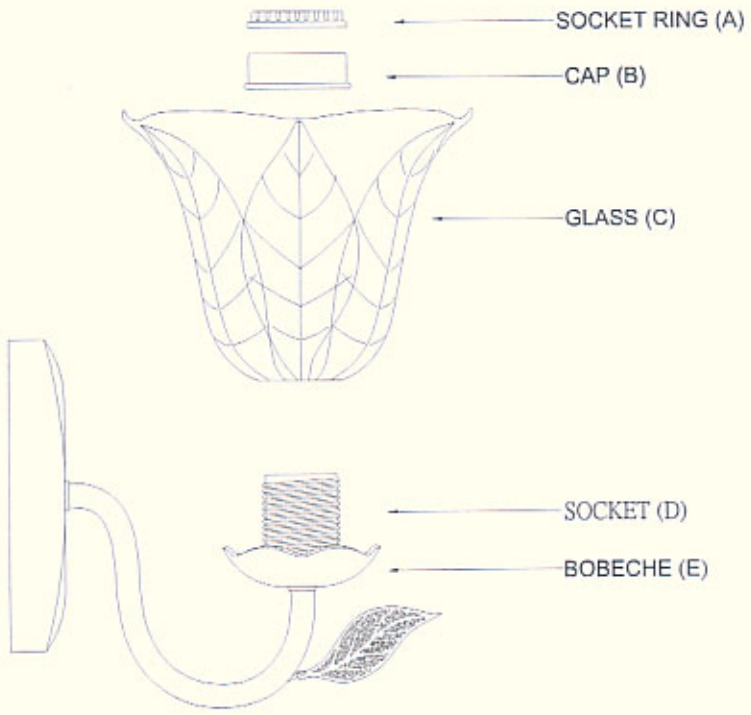
Assembly Instructions

ITEM NO.: 31610/1



1. Unpack the carton and place the fixture on a flat surface. Attention: All necessary hardware and loose components have been verified for this fixture and are packed inside. Do not discard inner packing until you have inspected it thoroughly. Please be very careful in handling the fixture because the end of the leaf is sharp!
2. For mounting and wiring step please follow the mounting instruction sheet enclosed.
3. Place the GLASS (C), CAP (B), through the socket (D) onto the BOBECHE (E). Then secure the GLASS by the SOCKET RING (A).
4. Follow the wattage label on the CAP (B) and install proper bulb (not provided) onto the socket.
